Husqvarna®  
MOTORCYCLES

# THIS IS WHAT WE LIVE FOR

The excitement of loading up and heading off on an epic ride is something that only riders can truly understand. Imagining the unexplored trails that await – moist grippy dirt through endless forests.

**DAFÜR LEBEN WIR.** Nur Offroad-Fahrer kennen ihn wirklich, den Nervenkitzel beim Aufbruch zu einem neuen, großen Abenteuer. Unberührte Trails, feuchte, griffige Erde, grenzenlose Wälder ...

# EYES ON THE HORIZON

The magic of the ride lies in wait, just out of view. No two rides are ever the same, but for those brave enough to push into new territory, the ride itself is more than enough reward.

**BLICK ZUM HORIZONT.** Hinter jeder Kurve wartet etwas Magisches. Keine Fahrt ist wie die andere. Mut zum Erobern neuer Terrains wird mit einem unbeschreiblichen, einzigartigen Abenteuer belohnt.

# UNITED IN THE RIDE

Out on the tracks and trails, the bonds formed are often the strongest; tempered in heat, mud, sweat and tears. Near the edge, you are the most exposed and vulnerable, but once you've pushed past it with your riding pals, those friendships are cast in stone.

**GEMEINSAM IN FAHRT.** Draußen auf den Tracks und Trails werden die stärksten Bände geknüpft – und durch Hitze, Schlamm, Schweiß und Tränen gehärtet. An den Grenzen des Möglichen bist du am verwundbarsten. Hast du sie aber erst einmal zusammen mit deinen Begleitern überwunden, kann nichts mehr diese Freundschaften erschüttern.

To look back on an amazing ride and the route that has just been conquered, curious as to what lies beyond the distant hills and on the other side of the many un-ridden trails. It fuels a desire to return soon and continue exploring where few have ridden before.

Du blickst zurück auf eine atemberaubende Fahrt und die eben eroberte Strecke, neugierig darauf, was hinter den Hügeln in der Ferne und am anderen Ende der vielen unbefahrenen Trails auf dich wartet. Der Wunsch in dir wächst, bald zurückzukommen und dir weitere Wege zu erschließen, die noch kaum ein Reifen berührt hat.
